Class Selection info for Parent Portal

- Please start by enter the Parent Poral HERE
- Next you will sign in with your login and password (you created these during registration)
- Then click on Find a class
  - 

- You can use filters to help you find the classes you are looking for, it will automatically filter to the classes that are age appropriate for your dancer.
  - 

  - 

- It will show you a selection of classes for you to pick from. Please select the Program or Class(s) that you are to enroll in.
- Click “add to cart”.
- It will ask you to sign new waivers for the upcoming season, please be sure to read these prior to signing as there has been updates to our tuition waiver to better reflect our current policies.
  - If you have more than one student it will also ask you to select the student you wish to enroll in the class/program.
- Click “add”
- Once you have added all of the classes you intend to enroll in. Click “Check Out” to confirm your enrollment. Billing will charge enrollment fees (and first month’s tuition for Children’s and Primary program) within a week of your signing up. This will hold your spot in the class/program.
